About the Authority

The Stadium Authority (Authority) was established in 1970 and is responsible for the operation, management, and maintenance of Aloha Stadium, located in Honolulu, Hawai'i. The Authority functions under the direction of a nine-member board, appointed by the Governor. For administrative purposes, the Authority is placed within the State of Hawai'i's Department of Accounting and General Services.

The agency reported total liabilities and deferred inflows of resources of \$14.8 million, comprised of (1) net pension liability of \$6 million, (2) vacation and other retirement payables of \$7.1 million, and (3) other liabilities and deferred inflows of resources of \$1.7 million.

Auditors' Opinion

THE AUTHORITY RECEIVED AN UNMODIFIED OPINION that the financial statements were presented fairly, in all material respects, in accordance with generally accepted accounting principles.

Findings

THERE WERE NO SIGNIFICANT DEFICIENCIES in internal control over financial reporting that would have required reporting under *Government Auditing Standards*. The auditors identified one material weakness. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. The material weakness is described on page 46 of the report which found \$1.4 million in unrecorded capital additions and related capital contributions for the fiscal year ended June 30, 2019 and an understatement in beginning net position of approximately \$246,000 as of June 30, 2018.

There were no instances of noncompliance or other matters required to be reported under *Government Auditing Standards*.
